

u3a North East Region Events Team have organised a visit to The Energy for Waste Plant, Billingham.

Date: Tuesday 23rd March 2027 10.30 – 13.00

Cost: £5, includes refreshments on arrival.

The Billingham Waste-to-Energy Plant converts municipal waste into 26 MW of electricity and heat, powering around 30,000 homes while diverting over 95% of waste from landfills.

What will you see:

The control room which is the hub of the site. Here you see the cranes and computers. Out on site you see the full process including turbine hall and furnace window.

All members that visit this site need to wear trousers and sensible footwear. Other protective equipment will be issued on the day eg high viz tabard etc.

The address of this facility is Haverton Hill Road, Billingham TS23 1PY

If you would like to register for this event please contact Cecilia Coulson email: cecu3a@gmail.com or phone: 07881768301.

Once your reservation has been received Cecilia will contact you with details of how to pay.
